

DECIDES TO PUSH
STRIKE INQUIRYSenate Subcommittee Will Go
to West Virginia.

DISREGARD ALL WARNINGS

Representatives of Coal Mine Operators Inform Senators That Their Presence Might Precipitate a Renewal of Actual Hostilities—Examination of Witnesses at Charleston Will Begin Next Tuesday.

Washington, June 5.—Disregarding intimations their appearance in West Virginia might result in further violence members of the senate subcommittee appointed to probe the West Virginia coal strike completed plans for their trip to Charleston.

The committee will begin the examination of about 1,200 witnesses presenting the case of the miners at Charleston Tuesday and the center of the disturbance which for over a year has kept the Paint Creek and Cabin Creek coal fields in a state of civil war.

The committee heard unimpaired the statement of General C. C. Watts and Colonel Z. T. Vinson, representing the coal mine operators, that a renewal of actual hostilities might be precipitated by the activities of the committee in West Virginia.

Mr. Watts intimated that the recently discovered alleged plot against the life of Governor Hatfield, charged to have been framed by a group of armed miners at Lamont Hollow, might be traced to the agitation attending the efforts of the committee up to date.

Owing to the wide scope of the investigation Chairman Swanson has evolved a plan to place each phase of the inquiry under the charge of a single member of the subcommittee.

Francis Feehan, executive agent of the United Mine Workers, conferred with Mr. Watson regarding the calling of witnesses for the miners in Charleston Tuesday.

It is probable that during their stay in West Virginia the members of the committee will visit the various mines in the Paint Creek and Cabin Creek districts to obtain first hand information as to conditions.

MENTION BURKE FOR LEADER

South Dakotans May Head Congressional Committee.

Washington, June 5.—Plans for reorganizing the Republican congressional committee early in July are being considered by the committee's officers.

It was said there probably would be no special effort to delay further the reorganization.

Representatives Burke of South Dakota, Madden of Illinois and Gardner of Massachusetts are still most prominently mentioned as chairmanship possibilities.

Chairman Hilles of the Republican national committee discussed with Representative Burke proposed cooperation between the national and congressional committees and suggested that the congressional executive committee draft a plan of action.

INCOME TAX BILL DEFECTIVE

Amendment Will Probably Be Drafted at Once.

Washington, June 5.—Before the senate acts on the Underwood tariff bill the income tax section will be amended to remedy a defect which, it was discovered, would make the measure unconstitutional.

When the framers of the income tax provision filed Jan. 1, 1913, as the date from which to compute incomes for taxation they overlooked the fact that the constitutional amendment authorizing an income tax was not proclaimed as ratified until Feb. 25, 1913.

This fact was brought to the attention of the senate finance subcommittee, which has the income tax under consideration, and an amendment probably will be drafted at once.

MANN TO WORK IN GARDEN

Leader Quits Congress for Brief Rest at Chicago.

Washington, June 5.—"I am going to work in my garden; get in my overalls and old shoes and dig around my plants and my flowers," said Republican Leader Mann of the house as he left for Chicago for a brief vacation.

Mr. Mann, who has rarely missed a day in the house for years, spends most of his spare time gardening and every summer and autumn he gives plants to thousands of Chicagoans.

"I don't know when congress is going to get through," Mr. Mann said. "It all depends on the Democrats; the Republicans are not attempting to filibuster against the tariff."

Won't Build Naval Station.

London, June 5.—The British government has no intention of building a big naval station at Kingston, Jamaica, as a consequence of the completion of the Panama canal, according to an announcement made by Winston Spencer Churchill, first lord of the admiralty, in the house of commons.

ARISTIDE BRIAND.

Former French Premier
Hurt in Auto Accident.

HURT IN AUTO COLLISION

Former French Premier Has Shoulder Dislocated.

Evreux, France, June 5.—The former premier, Aristide Briand, had a narrow escape from death when his automobile was struck by another and dashed against a tree.

M. Briand's shoulder was dislocated.

STOCKS TUMBLE ON
NEW YORK EXCHANGE

Various Reasons Given for Unsettled Prices.

New York, June 5.—The irregularity and heaviness, which have been the distinguishing features of the stock market recently, culminated in an avalanche of liquidation, greater than any witnessed for many months, which carried prices of important issues to lowest quotations registered in a considerable time.

The movement centered largely about such representative stocks as Union Pacific, Reading, Great Northern preferred, Northern Pacific, Lehigh Valley, United States Steel, Amalgamated Copper and American Smelting.

Numerous other stocks of less prominence also felt the force of the impact, which resulted in an overturn of 500,000 shares by noon.

Sales, for instance, were estimated at 25,000 shares and would exceed that figure, but for the fact that Europe bought quite liberally later as prices receded.

Among the many economic and technical causes which contributed to the retrograde movement, may be cited the distrust engendered by the St. Louis and San Francisco railroad receivership; discouragement at the apparent inability of the Union Pacific Southern Pacific roads to arrive at a satisfactory solution of their troubles; the recent liquidation in Canadian Pacific, bespeaking extreme financial tension across the Northern border, and dispatches from Washington indicating that the administration intends to renew action against so called trusts, more particularly the tobacco interests.

HELD FOR SHOOTING SPOUSE

Chicago Woman Fires Pistol as Husband Enters.

Chicago, June 5.—Mrs. Louise Van Keuren was held to the grand jury on a charge of murder in connection with the fatal shooting of her husband, John B. Van Keuren, at the doorway of her apartment.

George Penrose, who admitted he had visited Mrs. Van Keuren's home shortly before the shooting, was held as accessory.

Mrs. Van Keuren told the coroner's jury she had fired her revolver when some one broke the glass window at the front of her home. She said she believed it was a burglar.

OPIMUM RING IS BROKEN UP

Police Arrest Eight and Confiscate \$1,000 Worth of Drug.

St. Louis, June 5.—Government inspectors arrested three Chinese, three negroes and two Chinese women, declared to be the last of one of the most powerful opium rings that ever operated in this territory.

Opium valued at \$1,000 was confiscated in the raid on a house in a negro quarter.

FISH GOT AWAY.

Cleveland, June 5.—Dragged from his rowboat by a big fish, Hugh E. Walker, seventeen years old, became entangled in his fishing line and was drowned in Lake Erie. His body was recovered with the line wound around his limbs.

The fish got away.

HE—Would you take a dare?

She—Well, er—this is so sudden—

New York Sun.

SENATE MIGHT
LOSE CONTESTHouse Seems to Have Greater
Power Now.

BACKED BY THE PRESIDENT

Wilson Probably Would Support the Lower Body of Congress in Case of a Clash With the Upper on the Tariff Bill—Senators Now Must Also Take Account of Popular Vote.

By ARTHUR W. DUNN.

Washington, June 5.—[Special.]—If a clash should occur between the senate and house over the tariff bill it seems likely that the senate for the first time in many years will have to yield to the house. Those who have been watching the trend of the times can see that changes have been wrought by the new system of electing senators. Being now directly responsible to the people the senators are more likely to yield than heretofore when they come in conflict with the other branch which has been so long responsive to the people.

It makes lots of difference whether a man is elected by a body having 150 votes or by the people having 500,000 or even 100,000 votes. The smaller number does not take into consideration the attitude of the senator on questions, while the people as a whole take considerable interest in the way the men they vote for vote on different roll calls.

Backed by the President.

It looks as if the house would be backed by the president if there should be a contest. In that event the house ought to win, and unless there is something extraordinary in the situation the house will win.

Twenty years ago the house was backed by President Cleveland in its tariff fight and lost. It accepted every senate amendment. Then, as now, the fight was on sugar, but with this difference: The house was contending for free sugar for the refiners, and the senate was for a stiff differential duty on sugar. And the administration was with the senate on that question, but against the senate on many other increases. It was a peculiar situation. Another thing, the senate Democracy was a mighty strong organization in those days.

What Will La Follette Do?

We may talk about the futility of following leaders and insist that every man should follow his own judgment, but it is a fact that many people are anxious to know just what Senator La Follette will do on the tariff. It is believed that he will induce thousands of people throughout the country and that his votes will be adopted as the basis of tariff views by a large extent.

Senator La Follette believes that the tariff bills which he framed, which he and Chairman Underwood agreed to and which were sent the president in the last congress, were as near equitable as could be made. He thinks that the very low rates on many articles in the Underwood bill and placing sugar and wool on the free list with corresponding reductions is likely to cause a reaction and that another tariff as high as the Payne law may follow the Underwood bill. Consequently he will offer amendments for a more moderate bill.

HEETER VERDICT DELAYED

Citizens' Committee Refuses to Appear Before Board.

Pittsburg, June 5.—The citizens' committee appointed by the board of public education to investigate the moral fitness of Superintendent S. L. Heeter of the Pittsburg public schools refused to appear before the board. The members of the board met in Mr. Heeter's office for three hours.

The board of education, with twelve of the fifteen members present, renewed its work in going over the Heeter testimony on which the investigating committee found its verdict.

The board discussed the testimony in detail, took up various portions of it, had it read and then deliberated upon it.

JACK JOHNSON.

Sentenced to One Year
and a Day in Prison.

Photo by American Press Association.

JACK JOHNSON SENTENCED

Negro Pugilist Given One Year and a Day in Jail.

Chicago, June 5.—Jack Johnson, negro heavyweight pugilist, was sentenced to one year and one day in the state penitentiary at Joliet and fined \$1,000 for violation of the Mann "white slave" act.

Sentence was pronounced on Johnson after Federal Judge Carpenter had denied a motion for a new trial made by counsel for the negro.

Johnson asked two weeks in which to prepare a writ of error and the bond for \$30,000 on which he has been at liberty since his conviction was allowed to stand.

JAPANESE NOTE IS
RECEIVED BY BRYANGeneral Tone Invites Further
Friendly Discussion.

Washington, June 5.—Japan's rejoinder to the United States' reply to her protest against the California anti-alien land law, delivered personally by Ambassador Chinda to Secretary Bryan, states why the Tokio government continues to regard the Webb law a violation of the treaty of 1911. Nothing in the nature of an ultimatum is contained in the note. Its general tone is to invite further discussion of the controverted points and it contains nothing tending to make up a final issue.

Ambassador Chinda went to the state department by appointment. Instead of merely acknowledging receipt of the note and promising to consider it Secretary Bryan requested the ambassador to wait while he read the communication and when he had finished there was an informal discussion.

SECOND BALKAN
WAR IMMINENTREADY FOR SUMMER CRUISE
Vessels of Atlantic Fleet Assemble
in Hampton Roads.

Washington, June 5.—Preparations for the annual summer cruise of the midshipmen of the naval academy at Annapolis virtually have been completed.

The members of the third class will leave Sunday on the battleship Illinois. Their itinerary will include Antwerp, Vigo and Cadiz, Spain, Gibraltar and Funchal in the Madeira seas.

The members of the first and second classes will have their usual summer training with the vessels of the Atlantic fleet.

The battleships now are assembling in Hampton Roads, where they are coaling and taking on provisions for the trip.

KAREL HEADS BADGER ELKS

Manitowoc Meeting Selects Wausau
for Next Convention.

Manitowoc, Wis., June 5.—Judge J. C. Karel of Milwaukee was re-elected president of the Wisconsin Elks. Other officers are: Vice presidents, J. R. Minihan, Green Bay; John Harrigan, Eau Claire; Michael Higgins, Racine; secretary, Theodore Benesey, Sheboygan; treasurer, W. A. Smith, Oconto.

The next convention will be in Wausau.

Rose's Election Confirmed.

Los Angeles, June 5.—Official returns from all but eight precincts confirm the election of Police Judge H. P. Rose, independent, as mayor of the city.

Launch German Dreadnought.

Bremen, June 5.—The German dreadnought battleship which is to replace the old Weissenburg was launched here and christened the Markgraf. The new warship displaces approximately 27,000 tons and is designed for a speed of 21 knots.

CUBAN CIVIL SERVICE.

Havana, June 5.—President Menocal signed the act reestablishing the civil service law. This law, under the terms of its suspension by the late Liberal government, would have been restored to force on June 9.

Henry G. Davis Injured.

Elkins, W. Va., June 5.—Henry Gasaway Davis, Democratic vice presidential candidate in 1904, was painfully injured when he was thrown from his horse after the animal had been bitten by a dog.

The Light of Aden.

Kerosene is the universal illuminant around Aden, Arabia. The poorer natives cannot afford lamps, but use containers of a gill capacity, with a slender wick, costing one cent. The result is a dim and flickering light.

GRAIN AND PROVISION PRICES

Duluth Wheat and Flax.

Duluth, June 5.—Wheat—On track and to arrive, No. 1 hard, 91½¢; No. 1 Northern, 90½¢; No. 2 Northern, 87½¢; July, 90½¢; Sept., 91½¢. Flax—On track and to arrive, \$1.29½; July, \$1.29½; Sept., \$1.30½.

St. Paul May.

St. Paul, June 5.—Choice timothy, \$16.50; No. 1 timothy, \$15.00@15.75; No. 1 clover mixed, \$12.00@12.75; No. 1 mixed, \$11.00@11.75; Choice upland, \$14.25; No. 1 upland, \$12.50@13.50; No. 1 midland, \$9.00@9.75; No. 1 alfalfa, \$15.00@15.75.

South St. Paul Live Stock.

Cash close on track; No. 1 hard, 91½¢; No. 1 Northern, 90½¢@91½¢; to arrive, 90½¢@90¾¢; No. 2 Northern, 88½¢@89½¢; No. 3 Northern, 86½¢@87½¢; No. 3 yellow corn, 56¢@56½¢; No. 4 corn, 54¢@55½¢; No. 3 white oats, 35¢@36½¢; to arrive, 35¢; No. 3 oats, 34¢@35¢; barley, 48¢@51¢; flax, \$1.28½; to arrive, \$1.28½.

Quater Proceedings in Denver.

Denver, June 5.—Quater proceedings against Henry J. Arnold, Allison Stocker and Daniel M. Sullivan, who refuse to deliver their respective offices of mayor, treasurer and sheriff of Denver to the newly elected commissioners, were filed in district court.

New Bulgarian Cabinet May Be
Bellicose One.

SOME FEATURES DISTURBING

Indications Are That Rumania Is Backing Bulgaria—Latter State Desires to Submit Her Claim to Saloniki to the Six Great Powers, but Greece Wants Triple Alliance to Settle Dispute.

London, June 5.—Instead of making for peace the new cabinet of Bulgaria may be more bellicose than the previous one, for late reports indicate Premier Guechoff resigned because of irritation shown in military and political circles over his concessions to Greece and Servia.

Another disturbing feature is the growing indication that Rumania is backing Bulgaria and diplomats believe that Rumania has already offered to join with Bulgaria in case of war.

Greece and Bulgaria have agreed in principle to submit their conflicting claims to arbitration. Bulgaria desires to submit her claim to Saloniki to the six great powers, but Greece wants the triple alliance, Great Britain, France and Russia, to settle the dispute.

A dispatch to the Daily Telegraph from Bucharest says the cabinets of all of the Balkan states are preparing to resign, leaving the tangled affairs of the alliance in the hands of the new government.

NEW BECKER TRIAL SOUGHT

Motion in State Supreme Court Cites
Four Reasons for New Hearing.

New York, June 5.—A new trial for Charles Becker, the police lieutenant, convicted of the murder of Herman Rosenthal and now in the death house at Sing Sing, was sought in the state supreme court on these four grounds:

First, that new evidence had been discovered; second, that the verdict of conviction was contrary to law and against the weight of the testimony; third, that Sam H. Haas, a juror, was separated from the other jurors on two occasions when he visited a dentist's office; fourth, that a new trial should be granted in the interests of justice.

The motion was made before Justice Goff, who presided at Becker's trial, who did not rule.

TELLS HIS STORY TO JURY

F. E. Atteaux Testifies in Dynamite
Conspiracy Case.

Boston, June 5.—Frederick E. Atteaux, co-defendant with President William M. Wood of the American Woolen company and Dennis J. Collins, in the dynamite conspiracy trial, told his story to the jury.

He denied he had conspired with the other defendants and with John J. Breen and the late Ernest W. Pitman to "plant" dynamite at Lawrence to prejudice public opinion against the striking textile operatives last year.

The greater part of his recital dealt with his relations with Breen, the Lawrence undertaker convicted of planting the explosive, who testified Atteaux hired him to do the work and that Pitman furnished the dynamite.

DIVORCE FOLLOWS SCANDAL

Wife Gets Decree From Head of Milwaukee Club.

Milwaukee, June 5.—Mrs. Katherine Dearholt, wife of Lee A. Dearholt, former president of the Milwaukee Automobile club, obtained a divorce in three minutes on charges of incompatibility.

Last week there was a special meeting called to elect a president of the Automobile club to succeed Mr. Dearholt, following the disclosure of stories affecting the family differences of the Dearholts.

The vice president of the club resigned by telegraph at the same time as Mr. Dearholt, both resignations being attributed to publicity attending the family affairs of the two men.

PUTS BLAME ON SOCIALISTS

Former Governor Glasscock Says
They Added to Strike Trouble.

Morgantown, W. Va., June 5.—"I have always believed that if the Socialists had attended to their political affairs and left matters in dispute between miners and operators to settlement by mutual friends that this trouble would never have assumed the proportions it did," said former Governor Glasscock of West Virginia in a statement issued after reading the report of the committee of Socialists.

"I still believe," he continued, "that when it is settled it will be by friends of the miners and not by the Socialists."

Quater Proceedings in Denver.

Denver, June 5.—Quater proceedings against Henry J. Arnold, Allison Stocker and Daniel M. Sullivan, who refuse to deliver their respective offices of mayor, treasurer and sheriff of Denver to the newly elected commissioners, were filed in district court.

A union meeting will be held at
the First Baptist church this evening,
the regular prayer meetings of the
various churches giving place for
this union meeting. Dr. J. R. Wylie,
of Pittsburgh, Pa., field secretary,
will speak in the interests of the
Second World's Christian Citizenship
conference which will be held at
Portland, Oregon, June 29 to July 6.
At this conference the leading
questions of the day will be discussed
including "The Necessity of an
Awakened Conscience," "The Moral
Implication of the Right of Suffrage,"
"The Moral Accountability of the
Nations," "Marriage and Divorce,"
"The Sabbath a Human Necessity"
and many other questions
that have to do with citizenship.

"The Wrong Pair" and "The Grand
Canyon," at the Empress. The plot:
An irascible old gentleman, hearing
that his daughter is about to elope,
rushes home, but arrives too late.
He offers one thousand dollars for
the capture of the eloping couple, but
forgets to add their descriptions.
The wrong pair, several wrong pairs.
In fact, are caught, and it costs the
old man a good deal of money to get
rid of them. He collapses entirely
when the right pair arrive, bringing
with them the marriage certificate.
At the same time will be shown
also a beautiful travel picture of the
Grand Canyon of the Colorado.
These two alone will be well worth
the visit. Everything else you see
will be clear proof.

Most Children Have Worms

Many mothers think their children
are suffering from indigestion,
headache, nervousness, weakness,
costiveness, when they are victims of
that most common of all children's
ailments—worms. Peevish, ill-
tempered, fretful children, who toss
and grind their teeth, with bad
breath and colicky pains, have all the
symptoms of having worms, and
should be given Kickapoo Worm
Killer a pleasant candy lozenge which
expels worms, regulates the bowels,
tones up the system, and makes
children well and happy. Kickapoo
Worm Killer is guaranteed. All
druggists, or by mail. Price 25c.

GRAND JURY MAKES REPORT

County Jail is Sanitary But is Entirely Inadequate to Accommodate Prisoners

BREWING COMPANIES CENSURED

Of Practice of Selling Directly or Indirectly to Unlicensed Drinking Places

The report of the grand jury follows:

Brainerd, Crow Wing County, Minn. June 4, 1913.

To the Honorable W. S. McClenahan, judge of the district court, 15th judicial district, state of Minnesota, county of Crow Wing.

We, the grand jury of Crow Wing county, Minnesota, in session on June 4th, 1913, after due deliberation, desire to make the following recommendations for your consideration:

We have examined the county jail and court house with reference to sanitation and needed improvements in carrying on the public business and find the county jail to be in as sanitary a condition as is possible considering its present crowded condition, but find that the jail at present is entirely inadequate to accommodate the average number of inmates confined therein and, also, that the jail as constructed at present in no way meets the requirements of the State Board of Control.

We find the court house to be entirely too small to carry on an increasing public business and, in this connection, we desire to particularly call your attention to the crowded condition at present existing in the office of the Register of Deeds and, also, in the office occupied by the Board of County Commissioners while in session.

We therefore recommend that the court appoint a committee of ten citizens of this county to act in conjunction with the Board of County Commissioners to decide upon all necessary improvements required at county jail and court house at this time.

So many complaints for the unlawful sale of liquor within the county have been brought to the attention of this grand jury that we feel justified in condemning the practice of the brewing companies of directly or indirectly selling beer to unlicensed drinking places. In this connection, we recommend that the court take such action as it deems necessary in order to stop such practices.

We further desire to commend the county attorney for his assistance to this jury and also for his courteous treatment at all times while this jury was in session.

Respectfully submitted,
(Signed) H. J. HAGE, Foreman.

The grand jury returned a total of 18 indictments, of which the Hills,

Tabert and Davis indictments were published in Wednesday's Daily.

Milo Paravich, indicted for selling liquor without a license, plead guilty and was fined \$50 and costs and 30 days in jail. The jail sentence was suspended provided he reported to the county attorney every month and to the court at the next term.

An indictment was returned against George Laughton, Lindsay Laughton and Alfred Anniz. The reading of the same was waived and a plea of not guilty entered by their attorney, M. E. Ryan.

Fred M. Powell, indicted on two charges waived the reading of the indictment and plead not guilty. He was also represented by attorney.

On the civil calendar in the case of Louis F. Hohman vs. Harmidas Turcotte the jury brought in a verdict for the defendant. This was a suit over a dog which was carried up from the municipal court. Judge T. C. Blewitt represented the plaintiff and C. A. Russell the defendant.

The case of Jalmar Wutanen vs. the Rogers, Brown Ore Co. was announced as settled and dismissed.

George H. Gardner vs. the city of Brainerd had the appeal dismissed by order.

In the case of John Lundin vs. F. A. Johnson et al. the jury returned a verdict for the defendant. The plaintiff had sued for \$10,000 damages. H. E. Peterson of Deerwood, represented the plaintiff and F. A. Lindbergh of Crosby, and D. B. McAlpine of Ironton the defendants.

The jury in the case of Nels Gjernes vs. the township of Maple Grove gave a verdict in favor of the plaintiff, assessing his damages at \$1.

The case of W. W. Barron vs. M. T. Dunn et al., a suit for \$10,000 damages, was dismissed on motion of the plaintiff's attorney, C. A. Russell, who stated he was unable to communicate with Mr. Barron. M. E. Ryan represented the defendants.

The case of Mons Mahlum vs. Hugo Schwartzkopf will be taken up before Judge C. W. Stanton. Next Tuesday Judge McClenahan expects to go to Park Rapids and Judge Stanton will come to Brainerd and take up the balance of the cases.

ST. CLOUD GAME SUNDAY

Manager Tom Considine Announces Big Game With Cy. Olson's Star Aggregation

Manager Tom Considine announces a game with the St. Cloud aggregation of ball players marshaled under Cy. Olson's banner for Sunday afternoon, June 8.

This is the team which wiped out Little Falls Decoration day and Sunday to the tune of 7 to 1 and 11 to 1. It is the best team St. Cloud has ever had and as Brainerd and the gritty, grand Granite City are perpetual rivals there should be some grandstand hitting and base running in Brainerd next Sunday.

DISPATCH ADS PAY—TRY ONE

T. H. CONSIDINE HEADS BALL TEAM

Team Believes in Commission Government and Makes Considine Pres., Genl. Mgr., Sec., Treas.

THIS CENTERS RESPONSIBILITY

Harry Treglawny Resigns—Meeting of Fans at Gardner Hall on Wednesday Evening

The commission form of government has taken firm root in the Brainerd baseball team association and the fans Wednesday evening at their meeting in Gardner hall elected T. H. Considine, or "Tom" as everybody calls him, the manager of the team, who will embody in his activities the duties of president, general manager, business manager, secretary, treasurer, etc., the idea being to center control and responsibility in one man.

Manager Considine, who was chairman at the evening's meeting, wore his new honors with modesty and begged the Dispatch not to mention his name or if it did, it was to use small type.

Mr. Considine has had all kinds of baseball experience. He has umpired, he has run bases, he has swatted the ball over the fence, he has been praised and sometimes bailed out, he played at Winona and other towns, he's a fan, he's a busy man who has brought the local exchange of the Northwestern Telephone Exchange company to a high state of perfection and during his managerial more improvements have been made to the local plant than at any other time in its history.

The telephone business is Mr. Considine's life work and he's a man that's on the job constantly. Baseball is his little hobby on the side, only taken up when a chance for recreation appears. One does not interfere with the other.

Harry Treglawny, identified with the building up of this year's team, resigned. He first presided at the meeting and then gave way to Mr. Considine, and A. J. Winter officiated as temporary secretary.

Mr. Treglawny reported that games were desired by St. Cloud, Akeley, Staples, Cloquet and other teams.

On the auditing committee were appointed Bud Roederick, Tom Templeton and Fred Cook.

"EDUCATION FOR THE TIMES"

Subject of the Address That Prof. J. S. Young Will Deliver in University Week

TUESDAY AFTERNOON, JUNE 10

Prof. Young's Reputation in Brainerd is That he is a Most Forceful Speaker

Among the many splendid features of University Week will be the return to this city of Prof. J. S. Young, whose address on next Tuesday afternoon, June 10, will be on "Education for the Times."

This very live subject has been discussed pro and con more generally perhaps in the last year than in any previous time. The battle lies between the cultural and the vocational forms of education. It was not until within recent years that the vocational was considered an important form of education for the public schools and colleges to patronize, it being generally understood that this form of education should be left almost wholly to schools supported for the avowed purpose and to apprenticeship.

In recent years, however, the success which has attended the introduction of manual training into the public schools has encouraged the introduction of domestic science, agriculture, and other subjects until it has been raised as a question for discussion as to whether the purely cultural forms of education might not be left practically to the higher institutions of learning with just a suspicion of suggestion from some quarters that it might be dispensed with altogether.

Prof. Young's reputation in Brainerd is that he is a most forceful and entertaining speaker. Several times before the Commercial club and at least once before a public audience in a local church the professor has greatly delighted his hearers by the simplicity and conciseness of his speech, and it is certain that those who hear him on next Tuesday afternoon will be well repaid.

\$50 Reward

Fifty dollars (\$50) reward will be paid for information leading to the arrest and conviction of any person shooting insulators on our high tension pole line in the vicinity of Brainerd.

THE BAND CONCERT

Brainerd City Band Impresses all Auditors with the Excellent Program Rendered

The Brainerd City band, which gave its first concert of the season at the Northern Pacific railway depot park Wednesday evening, impressed all auditors with the excellence of the music rendered.

For beautiful tonal effects, fine phrasing and precision of attack the band is unexcelled. Dr. F. J. Sykora, the director, has brought the band to a high state of perfection. Among the solo cornetists was Prof. Wm. Graham.

The band had a well balanced program. Of special interest was the rendition of Strauss' "An der schoenen blauen Donau." Worthy of mention was the fine reading given by the bass section.

The band has rehearsed steadily, sometimes twice a week. It is an organization of which Brainerd may well be proud.

SUNDAY SCHOOL CONVENTION

County Association Meets in Brainerd at Seventh Street Norwegian Lutheran Church

TUES. AND WED., JUNE 17 AND 18

Program Described in Detail—Dr. M. S. Rice to Deliver Two Addresses

The Crow Wing county Sunday school association will hold its convention in Brainerd on Tuesday and Wednesday, June 17 and 18, at the Seventh Street Norwegian Lutheran church.

The program includes two addresses by Dr. Merton S. Rice, D. D., of Duluth, who delivered the commencement day address to the high school graduates Monday, June 2. The afternoon subject will be "The Boys." His evening address will be "The Expected Church." The program committee fear their inability to secure a building large enough to accommodate all who may wish to hear him.

Mrs. C. M. Parmelee, of Minneapolis, a specialist in elementary work, has been secured to conduct the conference on primary and elementary work.

Dr. W. S. Boden, of Duluth, who made so many friends last year, will be present and will conduct the Sunday division conference and make an address.

The committee expects to hear within a day or two relative to another man of state-wide reputation to assist in conference and to make an address.

The churches of Brainerd will entertain all delegates and a goodly number are promised from each school. The object of the convention is to increase the efficiency of the schools.

ABOUT ADVERTISING

The Live Retailer Advertises With Timely Copy Because It Pays

If you are a live retailer, you advertise. Advertising pays. When advertising does not pay, it is more the fault of the "copy" than of the medium, if the latter has been selected with due regard to circulation and the value of that circulation.

How many times would you read "John Brown's Groceries & Butter, 200 Main St." adv. before you gave John Brown your business upon the initiative of that statement? Do you buy an overcoat from the Skinn Co. because of their announcement that "\$20 All Wool Suits will be sold for \$5?" After reading the coal man's attempt at a funny verse, has it induced you to place an order? Are you impressed with the quality of Jones' silverware, or has the smudge he has used for an illustration of the "best in the city" given you the idea that Jones was slightly stretching the statement?

Advertising is a science. It is no slap and dash affair and it requires study to fill space with "copy" that will bring results. If your copy is right, every dollar spent brings back dollars in results. There are no results from poor copy; the money is wasted.

It has cost some men hundreds of dollars to learn how to advertise; there are others who have spent the money and now say "advertising doesn't pay." The latter are of two classes: The man who will not acknowledge any fault, except in the mediums used, and the man who knows there is something wrong somewhere, but just can't put his finger on the fault.

There is no hope for the man who knows-it-all. But to him that recognizes his inefficiency as an advertiser, there are many roads open for self-betterment, books, lectures, the service of the advertising man or bureau, the trade paper.

Advertising is a science that pays proportionately to the time, energy and study devoted to it.—Shoe Retailer, Boston.

Best Laxative for the Aged

Old men and women feel the need of a laxative more than young folks, but it must be safe and harmless and one which will not cause pain. Dr. King's New Life Pills are especially good for the aged, for they act promptly and easily. Price 25c. Recommended by H. P. Dunn, druggist.—Advt.

"MICHAEL'S"

PICKANDS-MATHER MEN ON RANGE

The Duluth & Iron Range private car, the Minnesota, brought to Brainerd today prominent officials of the Pickands-Mather Co. of Cleveland, Ohio, being Messrs. Mathews, Dalton and Munger. In company with Carl Zapffe, of this city, a tour of the iron range country is being made by automobile. The Pickands-Mather people were the first to sink a shaft on the range, their work being done on the south range and a heavy influx of water causing them to temporarily abandon the work. It is hoped their visit means resumption of mining operations.

The private car, in charge of a most obliging porter, George Glenn, was attached to the Duluth afternoon passenger train and taken to Deerwood, meeting there the Cleveland men, who in addition to covering the Cuyuna range have also recently visited the Mesaba and Vermilion ranges.

WASHOTINT

Washotint is a perfect, flat, sanitary, washable coating for producing on interior walls and ceilings, soft, beautiful tints that lend an artistic air to the surroundings.

It is becoming more and more the fashion to tint walls in soft flat tones, but in getting this result use Washotint, which will not spot every time water splashes on or touches it, as is the case with cold water or kalsomine paints.

The surface produced with Washotint is non-porous, non-absorbent and hard, and it is both sanitary and cleanly.

For Sale by

How to Make CALUMET Biscuit

To see how delightful baking can be, get a can of Calumet Baking Powder—and try this delicious recipe:

Calumet Biscuit.
1 heaping teaspoonful Calumet Baking Powder;
1 level teaspoon of salt;
2 rounding tablespoons butter or lard;
3/4 cup of milk;
3/4 cup of water.

Sift flour once, then measure, add salt and baking powder and sift three times, rub shortening in with fork or spoon, add milk and water, turn out on a well floured board and roll one inch thick, cut and bake in a quick oven about twelve to fifteen minutes.

And then when they come piping hot from the oven, light and fluffy and wholesome—butter and taste.

That's the Calumet test—always. Everything baked with Calumet must be as good—or a little better—than bakings made with other brands.

Calumet is moderate in price—economical in use. Your grocer knows—ask him.

JOHN LARSON

In buying shoes a good fit is one of the most important things to consider. It isn't simply the comfort you have in a shoe that fits, though that's enough reason for taking care.

But a shoe that fits well, wears longer; it adds at least fifty per cent to the life of a shoe to get a good fit.

Selz Shoes

are made to fit. It's impossible, of course, to shape a shoe to your foot; your foot has to shape itself to the shoe. That's what makes Selz shoes so much better than others; there's no painful breaking in to be done. We have the correct shapes for every foot.

Selz Waukenphast is the latest and most satisfactory development in perfect-fitting shoes for men. It's a new, stylish last, and gives the real comfort that you want and ought to have.

MUCH BUILDING IN BARROWS

Ten Seven-Room Residences Being Built by Iron Range Townsite Co. Almost Completed

LUMBER CO. STARTS BUSINESS

Large Crew of Men and Teams Grading Streets and Improving the Adjacent Roads

Barrows, Minn., June 4—The ten residences being built by the Iron Range Townsite company in blocks 1 to 45 and 46 will be completed in about two weeks. Many of them have already been rented and will be occupied as soon as they are completed. The houses each contain seven very well arranged rooms and are built of the very best material furnished by the Mason Lumber Co. of Barrows. The townsite company has built twenty of this style of houses the last three months, besides five four room cottages previously built and they expect to build two more four-room cottages in the near future.

The fine brick business building erected by C. E. Peck, of Duluth, will soon be completed and ready for occupancy.

William Mason has a crew of men working on the big lumber shed and office of his company. The building is 60 by 100 feet and 40 feet in height, or four stories, and will provide room for a large amount of building material. The company will carry a big stock of lumber besides other building material such as brick, stone, millwork, building paper, roofing, nails, paint, glass, etc.

George H. Whitehouse is building a nice residence for himself in block 12. He expects to have it completed some time this month.

Paul Larson, of Duluth, has moved into his new residence.

Emil Lind, of Brainerd, has moved into his new house built in block 51.

Fred Gilmore has bought lots in block 43 and has a residence under construction.

Charles Mattson, of Brainerd, has purchased lots 13 and 14, block 44 and will build a residence for himself very soon. These lots are considered one of the finest corners in town, having a fifty foot frontage on Second street east.

The second story of the First State bank of Barrows has been finished and most handsomely decorated. Hardwood finish throughout has been employed. It will be occupied by the cashier of the bank.

A large crew of men and teams are at work grading and otherwise improving the roads between Brainerd and Barrows. The highways will have crushed stone surfaces when completed, the rock having been received from St. Cloud.

Levi Bailey has been working a crew of men and teams grading a new railroad spur to the Barrows mine. The grading will be completed this week and the crew will return to Barrows to continue the grading of streets.

Richard Bergum, manager of the Barrows Realty and Insurance com-

pany, reports the sale of many lots in Barrows the last two weeks.

Alfred Gustafson, of Duluth, visited in Barrows last week.

J. H. Wright, of Cromwell, visited here last week and spoke highly of the progress Barrows has made in the last year.

Edward Anderson, representative of the John Wahl Candy company, visited here last Thursday, bringing with him some friends.

C. M. Christenson, of Atkinson, visited here last week.

Mr. Johnson, salesman for the Paine, Nixon Co., of Duluth, was in town this week, getting some business for his company in the line of oils and paints.

Guaranteed Eczema Remedy

The constant itching, burning, redness, rash and disagreeable effects of eczema, tetter, salt rheum, itch, piles and irritating skin eruptions can be readily cured and the skin made clear and smooth with Dr. Hobson's Eczema Ointment. Mr. J. C. Eveland, of Bath, Ill., says: "I had eczema twenty-five years and had tried everything. All failed. When I found Dr. Hobson's Eczema Ointment I found a cure." This ointment is the formula of a physician and has been in use for years—not an experiment. That is why we can guarantee it. All druggists, or by mail, Price 50c. Heffner Chemical Co. Philadelphia and St. Louis. H. P. Dunn, druggist—Advt. ttw

To Identify the Corpse.

In the blanks which life insurance companies provide their medical examiners for use in recording the data of the examination of the applicant for insurance they provide a space for personal marks which may be used to identify the insured after death. One company recently received a report from an examining physician with the following in the identification blank: "He has a strong Cornish accent."—Lippincott's.

How's This

PUBLIC EXHIBITION

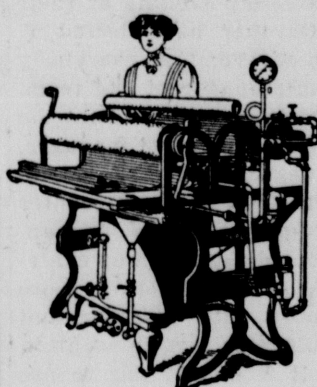

FRIDAY, JUNE 6, 1913

OF THE

Perfected Spotless Shrinker and Finisher

Sponges and Shrinks All Classes of Goods Perfectly

You are cordially invited to the Public Demonstration which will be in charge of Mr. Albert Bray, an experienced man who has nothing to sell—Simply will shrink goods for you.

THIS CERTIFICATE

Entitles the bearer to the sponging of any piece of fabric, wool, cotton, silk or velvet, whether purchased here or not.

Thereafter the uniform price will be 5c per yd. for high-grade goods. Wash goods, not over 36 inches wide, 3c per yd. Short lengths, 15c each piece.

No more puckered, rain-spotted, shrunk-out-of-shape suits, skirts and jackets, if the goods are sponged and shrunk by the PERFECT SPOTLESS PROCESS. Everybody knows that sponging and shrinking is a necessity, not only with woolen goods, but cotton and linen work fabrics as well.

In connection with the exhibition we are going to have a sale of the following wash goods and wool fabrics, all of which will be made to retain their shapeliness and sightliness by shrinking before making, viz:

PIQUES, GINGHAMS, PERCALES, LINEN SUITINGS, WHITE GOODS, RATINES, CREPE CLOTHS, COTTON VOILES, Etc., also all classes of WOOLEN FABRICS.

We are headquarters for "Everything by the yard."

Come and select the goods for your new dress and let us shrink the material WHILE YOU WAIT.

We hope you will take advantage of this offer and keep us busy all day.

READ THE ADS IN THE DISPATCH

DECIDES TO PUSH
STRIKE INQUIRYSenate Subcommittee Will Go
to West Virginia.

DISREGARD ALL WARNINGS

Representatives of Coal Mine Operators Inform Senators That Their Presence Might Precipitate a Renewal of Actual Hostilities—Examination of Witnesses at Charleston Will Begin Next Tuesday.

Washington, June 5.—Disregarding intimations their appearance in West Virginia might result in further violence members of the senate subcommittee appointed to probe the West Virginia coal strike completed plans for their trip to Charleston.

The committee will begin the examination of about 1,200 witnesses presenting the case of the miners at Charleston Tuesday and the center of the disturbance which for over a year has kept the Paint Creek and Cabin Creek coal fields in a state of civil war.

The committee heard unimpaired the statement of General C. C. Watts and Colonel Z. T. Vinson, representing the coal mine operators, that a renewal of actual hostilities might be precipitated by the activities of the committee in West Virginia.

Mr. Watts intimated that the recently discovered alleged plot against the life of Governor Hatfield, charged to have been framed by a group of armed miners at Lamont Hollow, might be traced to the agitation attending the efforts of the committee up to date.

Owing to the wide scope of the investigation Chairman Swanson has evolved a plan to place each phase of the inquiry under the charge of a single member of the subcommittee.

Francis Feehan, executive agent of the United Mine Workers, conferred with Mr. Watson regarding the calling of witnesses for the miners in Charleston Tuesday.

It is probable that during their stay in West Virginia the members of the committee will visit the various mines in the Paint Creek and Cabin Creek districts to obtain first hand information as to conditions.

MENTION BURKE FOR LEADER

South Dakotans May Head Congressional Committee.

Washington, June 5.—Plans for reorganizing the Republican congressional committee early in July are being considered by the committee's officers.

It was said there probably would be no special effort to delay further the reorganization.

Representatives Burke of South Dakota, Madden of Illinois and Gardner of Massachusetts are still most prominently mentioned as chairmanship possibilities.

Chairman Hilges of the Republican national committee discussed with Representative Burke proposed cooperation between the national and congressional committees and suggested that the congressional executive committee, draft a plan of action.

INCOME TAX BILL DEFECTIVE

Amendment Will Probably Be Drafted at Once.

Washington, June 5.—Before the senate acts on the Underwood tariff bill the income tax section will be amended to remedy a defect which, it was discovered, would make the measure unconstitutional.

When the framers of the income tax provision fixed Jan. 1, 1913, as the date from which to compute incomes for taxation they overlooked the fact that the constitutional amendment authorizing an income tax was not proclaimed as ratified until Feb. 25, 1913.

This fact was brought to the attention of the senate finance subcommittee, which has the income tax under consideration, and an amendment probably will be drafted at once.

MANN TO WORK IN GARDEN

Leader Quits Congress for Brief Rest at Chicago.

Washington, June 5.—"I am going to work in my garden; get in my overalls and old shoes and dig around my plants and my flowers," said Republican Leader Mann of the house as he left for Chicago for a brief vacation.

Mr. Mann, who has rarely missed a day in the house for years, spends most of his spare time gardening and every summer and autumn he gives plants to thousands of Chicagoans.

"I don't know when congress is going to get through," Mr. Mann said. "It all depends on the Democrats; the Republicans are not attempting to filibuster against the tariff."

Won't Build Naval Station.

London, June 5.—The British government has no intention of building a big naval station at Kingston, Jamaica, as a consequence of the completion of the Panama canal, according to an announcement made by Winston Spencer Churchill, first lord of the admiralty, in the house of commons.

CABINET QUILTS
DURING UPROAR

Wild Riot in Hungarian Chamber of Deputies.

OPPOSITION IS VERY JUBILANT

Infantry and Cavalry Close All Approaches to Parliament Building. During Uproar in Chamber the Speaker Orders Expulsion of Several Deputies—Guard Captain Strikes Former Premier on the Head With His Sword.

Budapest, June 5.—Announcement in the chamber of deputies of the resignation of the Hungarian premier, Dr. Ladislaus von Lukacs, and his cabinet was preceded by scenes of uproar and violence surpassing any witnessed in this turbulent house.

The authorities closed the approaches of the parliament building to the public by strong bodies of infantry and cavalry, supported by a machine gun and detachments of police and gendarmes.

When Count Tisza, the speaker, and Premier von Lukacs entered the chamber they were greeted by the opposition with shouts, jeers and insulting epithets.

After several unavailing attempts to obtain quiet the speaker ordered the expulsion of several opposition deputies and summoned the parliamentary guard to eject them. The appearance of the guard started a pandemonium.

Calls Deputy Offensive Names.

One guard seized Deputy Leher by the collar and called him offensive names.

"You scoundrel! This is indecent," exclaimed Count Ghuf von Hadervary, former premier, addressing Captain Geroc, commander of the guard.

Geroc drew his saber and struck the count thrice on the head. His face streaming with blood the ex-premier staggered into the arms of a friend.

Cries of "murder" resounded through the hall. The fury of the opposition was almost uncontrollable until it was ascertained that the injuries of Count Hadervary were only superficial.

At length Herr Julius Justh, the opposition leader, succeeded in quieting his followers and the sitting, which in the meantime had been suspended, was resumed.

Premier von Lukacs then announced the resignation of his cabinet, which was greeted with frantic outbursts of jubilation by the opposition.

MORE NAMES ON ITS LIST

Senate Committee Will Subpoena Alleged Lobbyists.

Washington, June 5.—Several names were added by the senate "lobby" investigating committee to the list of persons who are being subpoenaed to testify Saturday as to whether or not they are "lobbyists."

These included employers of the bureau maintained here by the Louisiana sugar growers and persons who have been connected with the anti-free sugar fight.

Sensor Randall of Louisiana freely discussed the organized activity of the Louisiana sugar cane growers; but believed little money had been spent, as compared with the amount spent by Claus Spreckles, the Federal Sugar Refining company and Frank C. Lowrey of New York, said to be an employee of that company, in the attempt to create a public sentiment in favor of free sugar.

BANKERS TO TALK CURRENCY

Commission Will Submit Results of Meeting to Senate.

New York, June 5.—A. Barton Hepburn, chairman of the currency commission of the American Bankers' association, sent out a call for a meeting of the commission in Atlantic City Tuesday, June 17.

There will be a general exchange of views on the subject of currency legislation, the results of which will be submitted to the United States senate.

RIVER DECISION IMPORTANT

Senate Orders Supreme Court Opinion Printed.

Washington, June 5.—Because of the sweeping extent to which it upholds government ownership and control of water power on navigable rivers the decision of the supreme court in the Chandler-Dunbar case is being printed as a public document at the request of Senator Burton of Ohio.

The senator regards the opinion as epochal, in that it holds that the government in seeking to improve a river for navigation is not required to pay out millions to owners of the river banks or of the river bed for water power incident to the banks or bed.

ARISTIDE BRIAND.

Former French Premier
Hurt in Auto Accident.

HURT IN AUTO COLLISION

Former French Premier Has Shoulder Dislocated.

Evreux, France, June 5.—The former premier, Aristide Briand, had a narrow escape from death when his automobile was struck by another and dashed against a tree.

M. Briand's shoulder was dislocated.

STOCKS TUMBLE ON
NEW YORK EXCHANGE

Various Reasons Given for Unsettled Prices.

New York, June 5.—The irregularity and heaviness, which have been the distinguishing features of the stock market recently, culminated in an avalanche of liquidation, greater than any witnessed for many months, which carried prices of important issues to lowest quotations registered in a considerable time.

The movement centered largely about such representative stocks as Union Pacific, Reading, Great Northern preferred, Northern Pacific, Lehigh Valley, United States Steel, Amalgamated Copper and American Smelting.

Numerous other stocks of less prominence also felt the force of the impact, which resulted in an overturn of 500,000 shares by noon.

Sales, for instance, were estimated at 25,000 shares and would exceed that figure, but for the fact that Europe bought quite liberally later as prices receded.

Among the many economic and technical causes which contributed to the retrograde movement, may be cited the distrust engendered by the St. Louis and San Francisco railroad receivership; discouragement at the apparent inability of the Union Pacific Southern Pacific roads to arrive at a satisfactory solution of their troubles; the recent liquidation in Canadian Pacific, bespeaking extreme financial tension across the Northern border, and dispatches from Washington indicating that the administration intends to renew action against so-called trusts, more particularly the tobacco interests.

Senator La Follette believes that the tariff bills which he framed, which he and Chairman Underwood agreed to and which were sent the president in the last congress, were as near equitable as could be made. He thinks that the very low rates on many articles in the Underwood bill and placing sugar and wool on the free list with corresponding reductions is likely to cause a reaction and that another tariff as high as the Payne law may follow the Underwood bill. Consequently he will offer amendments for a more moderate bill.

Booher Was Bitter.

Congressman Booher of Missouri has served quite a while on the river and harbor committee of the house, but he was ready to take another assignment this session.

"What does it amount to," he asked. "It makes no difference whether I am on the committee or not. We can only get what the army engineers say we can get. No one can get a single thing done that those army engineers do not approve, and that seems to be all there is to the river and harbor committee."

Booher is particularly interested in improving the Missouri river and he has always had a hard fight to get recognition for that stream.

HELD FOR SHOOTING SPOUSE

Chicago Woman Fires Pistol as Husband Enters.

Chicago, June 5.—Mrs. Louise Van Keuren was held to the grand jury on a charge of murder in connection with the fatal shooting of her husband, John B. Van Keuren, at the doorway of her apartment.

George Penrose, who admitted he had visited Mrs. Van Keuren's home shortly before the shooting, was held as accessory.

Mrs. Van Keuren told the coroner's jury she had fired her revolver when some one broke the glass window at the front of her home. She said she believed it was a burglar.

OPIUM RING IS BROKEN UP

Police Arrest Eight and Confiscate \$1,000 Worth of Drug.

St. Louis, June 5.—Government inspectors arrested three Chinese, three negroes and two Chinese women, declared to be the last of one of the most powerful opium rings that ever operated in this territory.

Opium valued at \$1,000 was confiscated in the raid on a house in a negro quarter.

FISH GOT AWAY.

Cleveland, June 5.—Dragged from his rowboat by a big fish Hugh E. Walker, seventeen years old, became entangled in his fishing line and was drowned in Lake Erie. His body was recovered with the line wound around his limbs.

The fish got away.

SENATE MIGHT
LOSE CONTESTHouse Seems to Have Greater
Power Now.

BACKED BY THE PRESIDENT

Wilson Probably Would Support the Lower Body of Congress in Case of a Clash With the Upper on the Tariff Bill—Senators Now Must Also Take Account of Popular Vote.

By ARTHUR W. DUNN.

Washington, June 5.—[Special.]—If a clash should occur between the senate and house over the tariff bill it seems likely that the senate for the first time in many years will have to yield to the house. Those who have been watching the trend of the times can see that changes have been wrought by the new system of electing senators. Being now directly responsible to the people the senators are more likely to yield than heretofore when they come in conflict with the other branch which has been so long responsive to the people.

It makes lots of difference whether a man is elected by a body having 150 votes or by the people having 500,000 or even 100,000 votes. The smaller number does not take into consideration the attitude of the senator on questions, while the people as a whole take considerable interest in the way the men they vote for vote on different roll calls.

Backed by the President.

It looks as if the house would be backed by the president if there should be a contest. In that event the house ought to win, and unless there is something extraordinary in the situation the house will win.

Twenty years ago the house was backed by President Cleveland in its tariff fight and lost. It accepted every senate amendment. Then, as now, the fight was on sugar, but with this difference: The house was contending for free sugar for the refiners, and the senate was for a stiff differential duty on sugar. And the administration was with the senate on that question, but against the senate on many other increases. It was a peculiar situation.

Another thing, the senate Democracy was a mighty strong organization in those days.

What Will La Follette Do?

We may talk about the utility of following leaders and insist that every man should follow his own judgment, but it is a fact that many people are anxious to know just what Senator La Follette will do on the tariff. It is believed that he will influence thousands of people throughout the country and that his votes will be adopted as the basis of tariff views by many Republicans and Progressives to a large extent.

Senator La Follette believes that the tariff bills which he framed, which he and Chairman Underwood agreed to and which were sent the president in the last congress, were as near equitable as could be made. He thinks that the very low rates on many articles in the Underwood bill and placing sugar and wool on the free list with corresponding reductions is likely to cause a reaction and that another tariff as high as the Payne law may follow the Underwood bill. Consequently he will offer amendments for a more moderate bill.

Booher Was Bitter.

Congressman Booher of Missouri has served quite a while on the river and harbor committee of the house, but he was ready to take another assignment this session.

"What does it amount to," he asked. "It makes no difference whether I am on the committee or not. We can only get what the army engineers say we can get. No one can get a single thing done that those army engineers do not approve, and that seems to be all there is to the river and harbor committee."

Booher is particularly interested in improving the Missouri river and he has always had a hard fight to get recognition for that stream.

HEETER VERDICT DELAYED

Citizens' Committee Refuses to Appear Before Board.

Pittsburg, June 5.—The citizens' committee appointed by the board of public education to investigate the moral fitness of Superintendent S. L. Heeter of the Pittsburg public schools refused to appear before the board. The members of the board met in Mr. Heeter's office for three hours.

The board of education, with twelve of the fifteen members present, renewed its work in going over the Heeter testimony on which the investigating committee found its verdict.

The board discussed the testimony in detail, took up various portions of it, had it read and then deliberated upon it.

JACK JOHNSON.

Sentenced to One Year
and a Day in Prison.

Photo by American Press Association.

JACK JOHNSON SENTENCED

Negro Pugilist Given One Year and a Day in Jail.

Chicago, June 5.—Jack Johnson, negro heavyweight pugilist, was sentenced to one year and one day in the state penitentiary at Joliet and fined \$1,000 for violation of the Mann "white slave" act.

Sentence was pronounced on Johnson after Federal Judge Carpenter had denied a motion for a new trial made by counsel for the negro.

Johnson asked two weeks in which to prepare a writ of error and the bond for \$30,000 on which he has been at liberty since his conviction was allowed to stand.

JAPANESE NOTE IS
RECEIVED BY BRYANGeneral Tone Invites Further
Friendly Discussion.

Washington, June 5.—Japan's rejoinder to the United States' reply to her protest against the California anti-labor law, delivered personally by Ambassador Chinda to Secretary Bryan, states why the Tokio government continues to regard the Webb law a violation of the treaty of 1911.

Nothing in the nature of an ultimatum is contained in the note. Its general tone is to invite further discussion of the controverted points and it contains nothing tending to make up a final issue.

Ambassador Chinda went to the state department by appointment. Instead of merely acknowledging receipt of the note and promising to consider it Secretary Bryan requested the ambassador to wait while he read the communication and when he had finished there was an informal discussion.

SECOND BALKAN
WAR IMMINENT

READY FOR SUMMER CRUISE

Vessels of Atlantic Fleet Assemble in Hampton Roads.

Washington, June 5.—Preparations for the annual summer cruise of the midshipmen of the naval academy at Annapolis virtually have been completed.

The members of the third class will leave Sunday on the battleship Illinois. Their itinerary will include Antwerp, Vigo and Cadix, Spain, Gibraltar and Funchal in the Madeira seas.

The members of the first and second classes will have their usual summer training with the vessels of the Atlantic fleet.

The battleships now are assembling in Hampton Roads, where they are coaling and taking on provisions for the trip.

KAREL HEADS BADGER ELKS

Manitowoc Meeting Selects Wausau for Next Convention.

Manitowoc, Wis., June 5.—Judge J. C. Karel of Milwaukee was re-elected president of the Wisconsin Elks. Other officers are: Vice presidents, J. R. Minihan, Green Bay; John Harlan, Eau Claire; Michael Higgins, Racine; secretary, Theodore Beney, Sheboygan; treasurer, W. A. Smith, Oconto.

The next convention will be in Wausau.

Rose's Election Confirmed.

Los Angeles, June 5.—Official returns from all but eight precincts confirm the election of Police Judge H. P. Rose, independent, as mayor of the city.

Launch German Dreadnought.

Bremen, June 5.—The German dreadnought battleship which is to replace the old Weissenburg was launched here and christened the Markgraf. The new warship displaces approximately 27,000 tons and is designed for a speed of 21 knots.

CUBAN CIVIL SERVICE.

Havana, June 5.—President

Menocal signed the act re-establishing the civil service law. This law, under the terms of its suspension by the late Liberal government, would have been restored to force on June 9.

Henry G. Davis Injured.

Elkins, W. Va., June 5.—Henry Gasaway Davis, Democratic vice presidential candidate in 1904, was painfully injured when he was thrown from his horse after the animal had been bitten by a dog.

The Light of Aden.

Kerosene is the universal illuminant around Aden, Arabia. The poorer natives cannot afford lamps, but use containers of a gill capacity, with a slender wick, costing one cent. The result is a dim and flickering light.

GRAIN AND PROVISION PRICES

Duluth Wheat and Flax.

Duluth, June 5.—Wheat—On track and to arrive, No. 1 hard, 91½¢; No. 1 Northern, 90½¢; No. 2 Northern, 87½¢; July, 90½¢; Sept., 91½¢. Flax—On track and to arrive, \$1.29½; July, \$1.29½; Sept., \$1.30½.

St. Paul Hay.

St. Paul, June 5.—Choice timothy, \$16.50; No. 1 timothy, \$15.00 to \$16.75; No. 1 clover mixed, \$12.00 to \$12.75; No. 1 mixed, \$11.00 to \$11.75; Choice upland, \$14.25; No. 1 upland, \$12.50 to \$13.50; No. 1 midland, \$9.00 to \$9.75; No. 1 alfalfa, \$15.00 to \$15.75.

South St. Paul Live Stock.

MUSIC AND DRAMA

At the Empress

"The Wrong Pair" and "The Grand
Canyon." at the Empress. The plot:
An irascible old gentleman, hearing
that his daughter is about to elope,
rushes home, but arrives too late.
He offers one thousand dollars for
the capture of the eloping couple, but
forgets to add their descriptions.
The wrong pair, several wrong pairs,
in fact, are caught, and it costs the
old man a good deal of money to get
rid of them. He collapses entirely
when the right pair arrive, bringing
with them the marriage certificate.
At the same time will be shown
also a beautiful travel picture of the
Grand Canyon of the Colorado.
These two alone will be well worth
the visit. Everything else you see
will be clear proof.

Most Children Have Worms

Many mothers think their child-
ren are suffering from indigestion,
headache, nervousness, weakness,
costiveness, when they are victims of
that most common of all children's
ailments—worms. Peevish, ill-
tempered, fretful children, who toss
and grind their teeth, with bad
breath and colicky pains, have all the
symptoms of having worms, and
should be given Kickapoo Worm Kil-
ler a pleasant candy lozenge which
expels worms, regulates the bowels,
tones up the system, and makes
children well and happy. Kickapoo
Worm Killer is guaranteed. All

GRAND JURY MAKES REPORT

County Jail is Sanitary But is Entirely Inadequate to Accommodate Prisoners

BREWING COMPANIES CENSURED

Practice of Selling Directly or Indirectly to Unlicensed Drinking Places

The report of the grand jury follows:

Brainerd, Crow Wing County, Minn. June 4, 1913.

To the Honorable W. S. McClenahan, judge of the district court, 15th judicial district, state of Minnesota, county of Crow Wing.

We, the grand jury of Crow Wing county, Minnesota, in session on June 4th, 1913, after due deliberation, desire to make the following recommendations for your consideration:

We have examined the county jail and court house with reference to sanitation and needed improvements in carrying on the public business and find the county jail to be in as sanitary a condition as is possible considering its present crowded condition, but find that the jail at present is entirely inadequate to accommodate the average number of inmates confined therein and, also, that the jail as constructed at present in no way meets the requirements of the State Board of Control.

We find the court house to be entirely too small to carry on an increasing public business and, in this connection, we desire to particularly call your attention to the crowded condition at present existing in the office of the Register of Deeds and, also, in the office occupied by the Board of County Commissioners while in session.

We therefore recommend that the court appoint a committee of ten citizens of this county to act in conjunction with the Board of County Commissioners to decide upon all necessary improvements required at county jail and court house at this time.

So many complaints for the unlawful sale of liquor within the county have been brought to the attention of this grand jury that we feel justified in condemning the practice of the brewing companies of directly or indirectly selling beer to unlicensed drinking places. In this connection, we recommend that the court take such action as it deems necessary in order to stop such practices.

We further desire to commend the county attorney for his assistance to this jury and also for his courteous treatment at all times while this jury was in session.

Respectfully submitted,
H. J. HAGE,
Foreman.

The grand jury returned a total of 18 indictments, of which the Hills,

Tabert and Davis indictments were published in Wednesday's Daily.

Milo Paravich, indicted for selling liquor without a license, plead guilty and was fined \$50 and costs and 30 days in jail. The jail sentence was suspended provided he reported to the county attorney every month and to the court at the next term.

An indictment was returned against George Laughton, Lindsay Laughton and Alfred Anniz. The reading of the same was waived and a plea of not guilty entered by their attorney, M. E. Ryan.

Fred M. Powell, indicted on two charges waived the reading of the indictment and plead not guilty. He was also represented by attorney.

On the civil calendar in the case of Louis F. Hohman vs. Harmidas Turcotte the jury brought in a verdict for the defendant. This was a suit over a dog which was carried up from the municipal court. Judge T. C. Blewitt represented the plaintiff and C. A. Russell the defendant.

The case of Jalmar Wutanen vs. the Rogers, Brown Ore Co. was announced as settled and dismissed.

George H. Gardner vs. the city of Brainerd had the appeal dismissed by order.

In the case of John Lundin vs. F. A. Johnson et al the jury returned a verdict for the defendant. The plaintiff had sued for \$10,000 damages.

H. E. Peterson of Deerwood, represented the plaintiff and F. A. Lindbergh of Crosby, and D. B. McAlpine of Ironton the defendants.

The jury in the case of Nels Gjernes vs. the township of Maple Grove gave a verdict in favor of the plaintiff, assessing his damages at \$1.

The case of W. W. Barron vs. M. T. Dunn et al, a suit for \$10,000 damages, was dismissed on motion of the plaintiff's attorney, C. A. Russell, who stated he was unable to communicate with Mr. Barron. M. E. Ryan represented the defendants.

The case of Mons Mahlum vs. Hugo Schwartzkopf will be taken up before Judge C. W. Stanton. Next Tuesday Judge McClenahan expects to go to Park Rapids and Judge Stanton will come to Brainerd and take up the balance of the cases.

ST. CLOUD GAME SUNDAY

Manager Tom Considine Announces Big Game With Cy. Olson's Star Aggregation

Manager Tom Considine announces a game with the St. Cloud aggregation of ball players marshaled under Cy. Olson's banner for Sunday afternoon, June 8.

This is the team which wiped out Little Falls Decoration day and Sunday to the tune of 7 to 1 and 11 to 1. It is the best team St. Cloud has ever had and as Brainerd and the gritty, grand Granite City are perpetual rivals there should be some grandstand hitting and base running in Brainerd next Sunday.

DISPATCH ADS PAY—TRY ONE

T. H. CONSIDINE HEADS BALL TEAM

Team Believes in Commission Government and Makes Considine Pres., Genl. Mgr., Sec., Treas.

THIS CENTERS RESPONSIBILITY

Harry Treglawny Resigns—Meeting of Fans at Gardner Hall on Wednesday Evening

The commission form of government has taken firm root in the Brainerd baseball team association and the fans Wednesday evening at their meeting in Gardner hall elected T. H. Considine, or "Tom" as everybody calls him, the manager of the team, who will embody in his activities the duties of president, general manager, business manager, secretary, treasurer, etc., the idea being to control and responsibility in one man.

Manager Considine, who was chairman at the evening's meeting, wore his new honors with modesty and begged the Dispatch not to mention his name or if it did, it was to use small type.

Mr. Considine has had all kinds of baseball experience. He has umpired, he has run bases, he has swatted the ball over the fence, he has been praised and sometimes bailed out, he played at Winona and other towns, he's a fan, he's a busy man who has brought the local exchange of the Northwestern Telephone Exchange company to a high state of perfection and during his management more improvements have been made to the local plant than at any other time in its history.

The telephone business is Mr. Considine's life work and he's a man that's on the job constantly. Baseball is his little hobby on the side, only taken up when a chance for recreation appears. One does not interfere with the other.

Harry Treglawny, identified with the building up of this year's team, resigned. He first presided at the meeting and then gave way to Mr. Considine, and A. J. Winter officiated as temporary secretary.

Mr. Treglawny reported that games were desired by St. Cloud, Akeley, Staples, Cloquet and other teams. On the auditing committee were appointed Bud Rodrick, Tom Templeton and Fred Cook.

"EDUCATION FOR THE TIMES"

Subject of the Address That Prof. J. S. Young Will Deliver in University Week

TUESDAY AFTERNOON, JUNE 10

Prof. Young's Reputation in Brainerd is That he is a Most Forceful Speaker

Among the many splendid features of University Week will be the return to this city of Prof. J. S. Young, whose address on next Tuesday afternoon, June 10, will be on "Education for the Times."

This very live subject has been discussed pro and con more generally perhaps in the last year than in any previous time. The battle lies between the cultural and the vocational forms of education. It was not until within recent years that the vocational was considered an important form of education for the public schools and colleges to patronize, it being generally understood that this form of education should be left almost wholly to schools supported for the avowed purpose and to apprenticeship.

In recent years, however, the success which has attended the introduction of manual training into the public schools has encouraged the introduction of domestic science, agriculture, and other subjects until it has been raised as a question for discussion as to whether the purely cultural forms of education might not be left practically to the higher institutions of learning with just a suspicion of suggestion from some quarters that it might be dispensed with altogether.

Prof. Young's reputation in Brainerd is that he is a most forceful and entertaining speaker. Several times before the Commercial club and at least once before a public audience in a local church the professor has greatly delighted his hearers by the simplicity and conciseness of his speech, and it is certain that those who hear him on next Tuesday afternoon will be well repaid.

\$50 Reward

Fifty dollars (\$50) reward will be paid for information leading to the arrest and conviction of any person shooting inspectors on our high tension pole line in the vicinity of Brainerd.

THE BAND CONCERT

Brainerd City Band Impresses all Auditors with the Excellent Program Rendered

The Brainerd City band, which gave its first concert of the season at the Northern Pacific railway depot park Wednesday evening, impressed all auditors with the excellence of the music rendered.

For beautiful tonal effects, fine phrasing and precision of attack the band is unexcelled. Dr. F. J. Sykora, the director, has brought the band to a high state of perfection. Among the solo cornetists was Prof. Wm. Graham.

The band had a well balanced program. Of special interest was the rendition of Strauss' "An der schoenen blauen Donau." Worthy of mention was the fine reading given by the bass section.

The band has rehearsed steadily, sometimes twice a week. It is an organization of which Brainerd may well be proud.

SUNDAY SCHOOL CONVENTION

County Association Meets in Brainerd at Seventh Street Norwegian Lutheran Church

TUES. AND WED., JUNE 17 AND 18

Program Described in Detail—Dr. M. S. Rice to Deliver Two Addresses

The Crow Wing county Sunday school association will hold its convention in Brainerd on Tuesday and Wednesday, June 17 and 18, at the Seventh Street Norwegian Lutheran church.

The program includes two addresses by Dr. Merton S. Rice, D. D., of Duluth, who delivered the commencement day address to the high school graduates Monday, June 2. The afternoon subject will be "The Boys." His evening address will be "The Expected Church." The program committee fear their inability to secure a building large enough to accommodate all who may wish to hear him.

Mrs. C. M. Parmelee, of Minneapolis, a specialist in elementary work, has been secured to conduct the conference on primary and elementary work.

Dr. W. S. Boden, of Duluth, who made so many friends last year, will be present and will conduct the Sunday division conference and make an address.

The committee expects to hear within a day or two relative to another man of state-wide reputation to assist in conference and to make an address.

The churches of Brainerd will entertain all delegates and a goodly number are promised from each school. The object of the convention is to increase the efficiency of the schools.

ABOUT ADVERTISING

The Live Retailer Advertises With Timely Copy Because It Pays

If you are a live retailer, you advertise. Advertising pays. When advertising does not pay, it is more the fault of the "copy" than of the medium, if the latter has been selected with due regard to circulation and the value of that circulation.

How many times would you read "John Brown's Groceries & Butter, 200 Main St." adv. before you gave John Brown your business upon the initiative of that statement? Do you buy an overcoat from the Skim-Um Co. because of their announcement that "\$20 All Wool Suits will be sold for \$5?" After reading the coal man's attempt at a funny verse, has it induced you to place an order? Are you impressed with the quality of Jones' silverware, or has the smudge he has used for an illustration of the "best in the city" given you the idea that Jones was slightly stretching the statement?

Advertising is a science. It is no slap and dash affair and it requires study to fill space with "copy" that will bring results. If your copy is right, every dollar spent brings back dollars in results. There are no results from poor copy; the money is wasted.

It has cost some men hundreds of dollars to learn how to advertise; there are others who have spent the money and now say "advertising doesn't pay." The latter are of two classes: The man who will not acknowledge any fault, except in the mediums used, and the man who knows there is something wrong somewhere, but just can't put his finger on the fault.

There is no hope for the man who knows-it-all. But to him that recognizes his inefficiency as an advertiser, there are many roads open for self-betterment, books, lectures, the service of the advertising man or bureau, the trade paper.

Advertising is a science that pays proportionately to the time, energy and study devoted to it.—Shoe Retailer, Boston.

Best Laxative for the Aged
Old men and women feel the need of a laxative more than young folks, but it must be safe and harmless and one which will not cause pain. Dr. King's New Life Pills are especially good for the aged, for they act promptly and easily. Price 25c. Recommended by H. P. Dunn, druggist.—Advt tsw

Let us show you.

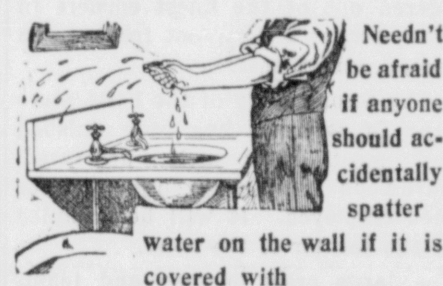

The Stamp Store

"MICHAEL'S"

PICKANDS-MATHER MEN ON RANGE

The Duluth & Iron Range private car, the Minnesota, brought to Brainerd today prominent officials of the Pickands-Mather Co. of Cleveland, Ohio, being Messrs. Mathews, Dalton and Munger. In company with Carl Zapffe, of this city, a tour of the iron range country is being made by automobile. The Pickands-Mather people were the first to sink a shaft on the range, their work being done on the south range and a heavy influx of water causing them to temporarily abandon the work. It is hoped their visit means resumption of mining operations.

The private car, in charge of a most obliging porter, George Glenn, was attached to the Duluth afternoon passenger train and taken to Deerwood, meeting there the Cleveland men, who in addition to covering the Cuyuna range have also recently visited the Mesaba and Vermillion ranges.

WASHOTINT

Washotint is a perfect, flat, sanitary, washable coating for producing on interior walls and ceilings, soft, beautiful tints that lend an artistic air to the surroundings.

It is becoming more and more the fashion to tint walls in soft flat tones, but in getting this result use Washotint, which will not spot every time water splashes on or touches it, as is the case with cold water or kalsomine paints.

The surface produced with Washotint is non-porous, non-absorbent and hard, and it is both sanitary and cleanly.

For Sale by

C. M. PATEK & SON

EVERY BUILDER

knows the necessity for good Cement. If you would buy the best you cannot do better than to try.

OUR CEMENT

It works up easy and quickly and goes further than more larger quantities of ordinary grades. Others have proved the quality of our Cement by experience. You will do well to follow their example.

How to Make CALUMET Biscuit

To see how delightful baking can be, get a can of Calumet Baking Powder—and try this delicious recipe:

Calumet Biscuit,
1 heaping teaspoonful Calumet Baking Powder,
1 level teaspoon of salt,
2 rounded tablespoons butter or lard,
¾ cup of milk,
¾ cup of water.

Sift flour once, then measure, add salt and baking powder and sift three times, rub shortening in with fork or spoon, add milk and water, turn out on a well floured board and roll one inch thick, cut and bake in a quick oven about twelve to fifteen minutes.

And then when they come piping hot from the oven, light and fluffy and wholesome—*butter and taste.*

That's the Calumet test—always. Everything baked with Calumet must be as good—or a little better—than bakings made with other brands.

Calumet is moderate in price—economical in use. Your grocer knows—ask him.

P. S. We forgot to mention in the above recipe that it requires four cups of sifted flour

YOU CANNOT GET AWAY

from the fact that it pays to treat your livestock well. Whether you work it or market it the better it is fed the better the returns. That's why you should give our feed a trial. Commence today. We know that the results will be so fine that you'll see the advantage of using our feed right along.

JOHN LARSON

In buying shoes a good fit is one of the most important things to consider. It isn't simply the comfort you have in a shoe that fits, though that's enough reason for taking care.

But a shoe that fits well, wears longer; it adds at least fifty per cent to the life of a shoe to get a good fit.

Selz Shoes

are made to fit. It's impossible, of course, to shape a shoe to your foot; your foot has to shape itself to the shoe. That's what makes Selz shoes so much better than others; there's no painful breaking in to be done. We have the correct shapes for every foot.

Selz Waukenphast is the latest and most satisfactory development in perfect-fitting shoes for men. It's a new, stylish last, and gives the real comfort that you want and ought to have.

MUCH BUILDING IN BARROWS

Ten Seven-Room Residences Being Built by Iron Range Townsite Co. Almost Completed

LUMBER CO. STARTS BUSINESS
Large Crew of Men and Teams Grading Streets and Improving the Adjacent Roads

Barrows, Minn., June 4—The ten residences being built by the Iron Range Townsite company in blocks 1 to 45 and 46 will be completed in about two weeks. Many of them have already been rented and will be occupied as soon as they are completed. The houses each contain seven very well arranged rooms and are built of the very best material furnished by the Mason Lumber Co. of Barrows. The townsite company has built twenty of this style of houses the last three months, besides five four room cottages previously built and they expect to build two more four-room cottages in the near future.

The fine brick business building erected by C. E. Peck, of Duluth, will soon be completed and ready for occupancy.

William Mason has a crew of men working on the big lumber shed and office of his company. The building is 60 by 100 feet and 40 feet in height, or four stories, and will provide room for a large amount of building material. The company will carry a big stock of lumber besides other building material such as brick, stone, millwork, building paper, roofing, nails, paint, glass, etc.

George H. Whitehouse is building a nice residence for himself in block 12. He expects to have it completed some time this month.

Paul Larson, of Duluth, has moved into his new residence.

Emil Lind, of Brainerd, has moved into his new house built in block 51.

Fred Gilmore has bought lots in block 43 and has a residence under construction.

Charles Mattson, of Brainerd, has purchased lots 13 and 14, block 44 and will build a residence for himself very soon. These lots are considered one of the finest corners in town, having a fifty foot frontage on Second street east.

The second story of the First State bank of Barrows has been finished and most handsomely decorated. Hardwood finish throughout has been employed. It will be occupied by the cashier of the bank.

A large crew of men and teams are at work grading and otherwise improving the roads between Brainerd and Barrows. The highways will have crushed stone surfaces when completed, the rock having been received from St. Cloud.

Levi Bailey has been working a crew of men and teams grading a new railroad spur to the Barrows mine. The grading will be completed this week and the crew will return to Barrows to continue the grading of streets.

Richard Bergum, manager of the Barrows Realty and Insurance com-

pany, reports the sale of many lots in Barrows the last two weeks.

Alfred Gustafson, of Duluth, visited in Barrows last week.

J. H. Wright, of Cromwell, visited here last week and spoke highly of the progress Barrows has made in the last year.

Edward Anderson, representative of the John Wahl Candy company, visited here last Thursday, bringing with him some friends.

C. M. Christenson, of Atkinson, visited here last week.

Mr. Johnson, salesman for the Paine, Nixon Co., of Duluth, was in town this week, getting some business for his company in the line of oils and paints.

Guaranteed Eczema Remedy

The constant itching, burning, redness, rash and disagreeable effects of eczema, tetter, salt rheum, itch, piles and irritating skin eruptions can be readily cured and the skin made clear and smooth with Dr. Hobson's Eczema Ointment. Mr. J. C. Eveland, of Bath, Ill., says: "I had eczema twenty-five years and had tried everything. All failed. When I found Dr. Hobson's Eczema Ointment I found a cure." This ointment is the formula of a physician and has been in use for years—not an experiment. That is why we can guarantee it. All druggists, or by mail, Price 50c. Hefler Chemical Co. Philadelphia and St. Louis. H. P. Dunn, druggist.—Adv. ttaw

To Identify the Corpse.

In the blanks which life insurance companies provide their medical examiners for use in recording the data of the examination of the applicant for insurance they provide a space for personal marks which may be used to identify the insured after death. One company recently received a report from an examining physician with the following in the identification blank: "He has a strong Cornish accent."—Lippincott's.

FREE! FREE!!

PUBLIC EXHIBITION

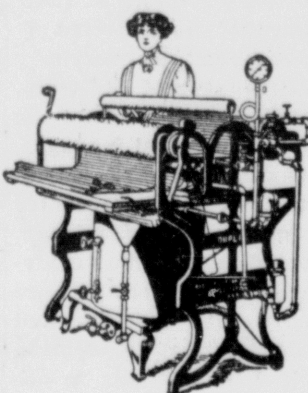

FRIDAY, JUNE 6, 1913

OF THE

Perfected Spotless Shrinker and Finisher

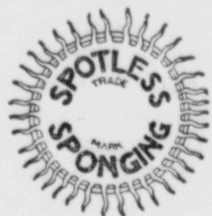

Sponges and Shrinks All Classes of Goods Perfectly

You are cordially invited to the Public Demonstration which will be in charge of Mr. Albert Bray, an experienced man who has nothing to sell—Simply will shrink goods for you.

THIS CERTIFICATE

Entitles the bearer to the sponging of any piece of fabric, wool, cotton, silk or velvet, whether purchased here or not.

Thereafter the uniform price will be 5c per yd. for high-grade goods. Wash goods, not over 36 inches wide, 3c per yd. Short lengths, 15c each piece.

No more puckered, rain-spotted, shrunk-out-of-shape suits, skirts and jackets, if the goods are sponged and shrunk by the PERFECT SPOTLESS PROCESS. Everybody knows that sponging and shrinking is a necessity, not only with woolen goods, but cotton and linen work fabrics as well.

In connection with the exhibition we are going to have a sale of the following wash goods and wool fabrics, all of which will be made to retain their shapeliness and sightliness by shrinking before making, viz:

PIQUES, GINGHAMS, PERCALES, LINEN SUITINGS, WHITE GOODS, RATINES, CREPE CLOTHS, COTTON VOILES, Etc., also all classes of WOOLEN FABRICS.

We are headquarters for "Everything by the yard."

Come and select the goods for your new dress and let us shrink the material WHILE YOU WAIT.

We hope you will take advantage of this offer and keep us busy all day.

ROGER LAKE BRIEFS

Mrs. H. W. Aden and little daughter Harriet, of Dickinson, N. D., arrived Wednesday last to spend some time with Mrs. Aden's parents, Mr. and Mrs. F. Stucke.

Mr. George Keeler spent Sunday with Miss Edith Caird.

The dance given at the Harrison home was not well attended on account of the weather, although those who attended had a delightful evening.

Mr. William Stratemeyer spent Sunday at the Stucke home.

Mr. Anton Johnson had the misfortune of having three of his cows shot last week. One shot proved fatal. It is not yet known who the sharp shooter was.

Mrs. P. Olson, Jr., returned Saturday from Aitkin, where she has been the past week.

Mamie, Mildred and Erma Moritz

called at the Stucke place Sunday. Margaret and Fred Moritz who have been attending school in Aitkin returned home Sunday.

Mr. Anton Johnson went to Brainerd Thursday to meet his two children, Alton and Mona, who have been attending school in Fairbault.

SLIM.
